APRIL 2026

UNFAILING LOVE

April reminds us of the greatest demonstration of love that is given to us and that is the sacrifice of Jesus on the cross. He willingly died in our place so he can take the weight of sin and its consequences on Himself. Life doesn't end in death, but it continues with him. Because He conquered death, we are given new life. New life means the past doesn't define us anymore. We are forgiven, renewed and no longer bound by guilt or shame. The resurrection reminds us that God's love is stronger than fear, sin and even death itself. And that change is possible. In this April, may His unfailing love guide your heart, bring you peace, and draw you closer to Him with each passing day.
