MARCH 2026

SPRING FORWARD IN FAITH

March carries movement and transition. It marks the end of winter and the beginning of a new life. And this year, it also carries the journey towards resurrection season. Resurrection season is about more than revival, it's about renewal. The old things must die for the new things to rise because you can't step into your next season while holding on to your last one. Walk boldly, pray daily and believe confidently that the lord is doing all new things in your life. Know that you are loved and never walking alone. May the peace of God guard your hearts and that the holy spirit leads you in all that he has prepared. As we spring forward may we do so in faith so that what God is bringing forth is greater than what we are leaving behind.

Focus:

- Leaving old seasons behind
- Spiritual reset
- Walking forward in renewed faith

MARCH PRAYER

Father GOD,

You are the God who makes all things new. As the season changes, may our hearts change so we can leave the old things behind. Renew our minds and help us move forward in faith. Holy spirit guides us in everything we do. Thank you father GOD for what you have done and what you are going to do this season.

In Jesus name we pray,

Amen.
